

Electrical Part for Forklifts

Forklift Electrical Parts - Forklifts as well as other forklifts can have particular labels for use in some hazardous locations. The mark indicates that this specific model of lift truck meets the minimum standards of ANSI/UL 553 utilized for electric forklifts or ANSI/UL 558 intended for internal combustion engine forklifts.

The use for labels meant for lift forklifts could be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Type Designations, Areas of Use, and Maintenance and Operation. Check with your local insurance carrier and Fire Marshall for further info on the permitted uses of industrial powered forklifts in your application.

If the forklift has been found to meet the outlined criteria, the following labels may be placed. A marked truck will have the model description put on the lift truck nameplate and will have one of the following labels put.
