

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like offering products which energize both their partners and their dealers and offer production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills combined with their comprehension of cleaning applications, together with owners' strong desire to considerably reduce cost through productivity gains.

When required, the workers within TREK and its various dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and working everyday is top priority. The company's top of the line technology delivers dependable machinery which eventually reduces your cost of cleaning. The service, the product and the price all work as one to make them an industry leader.
