

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products in order to ensure efficiency and increase the productivity within residential, industrial and commercial environments. They pride themselves in delivering products to improve the comfort, security, health and safety of people around the globe through their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting services, parts support and advanced controls utilized for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies division provides solutions and products that enhance their customers' productivity, operations and energy efficiency. The product range is diverse ranging from tools and pumps, fluid and material handling systems to complete compressed air systems. They have even developed Club Car, the global leader in utility and golf vehicles intended for individuals and companies.

Well-known brand names like Trane and Schlage compromise the Residential Solutions business, providing efficiency, comfort and safety to home owners all over North America. Some of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies offer products that ensure safe, productive and secure surroundings. This division's market leading products consist of floor and door closers, portable security devices, exit devices, biometric and electronic access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Schlage even has products that provide attendance, personal and time scheduling systems.
