

Fork Mounted Sweeper

Fork Mounted Sweepers - This attachment makes industrial sweeping jobs a lot easier to accomplish. The handy forklift mounted broom is intended for use with either dry or wet material clean ups. It can squeegee water and push snow with no trouble. This accessory is normally utilized to clean debris from parking lots, warehouses, construction sites, docks and almost anywhere it is required. The lift truck sweeper is a low maintenance accessory which utilizes quick-tite fork products to effortlessly mount to the forklift.
